10<sup>th</sup> February 2017

Dear Members

**Re: Change of Accounting Date of The Financial Accounts**

The GAA have requested the Club change their accounting year end from the 31<sup>st</sup> August to the 31<sup>st</sup> October with the first period end being the 31<sup>st</sup> October 2016. As a result of this we were unable to present the chairperson and committee with the audited financial statements in November as was always the case.

The earliest that the financial statements can now be finalised is late February / early March. This is because the months of December and January every year are devoted to the completion of all personal Tax Return forms in order to meet the Inland Revenue deadline of the 31<sup>st</sup> January each year.

The delay in the presentation of the club financial accounts to the members does not reflect in any way on the committee but is due to the change in the accounting year end and the time scale available to prepare them.

Yours faithfully
